We Will Need The Following:

5. **SCHEDULE APPRAISAL:** We will want to see your furniture, which may or may not be necessary, depending on the quality of the photos you send us.

The Offer

The appraisal cost and the price we pay are relevant to current market value and dependant upon:

- **Type** of office furniture: chairs, desks, cubicles, etc.
- **Condition** of your office furniture
- **Quantity** you have in inventory to sell, large or small
- **Location** of your office furniture
- **Removal & Storage Costs** for the time we invest in getting your furniture taken apart and transported to our warehouse for storage it until it is sold.

- **Re-salability:** How easy or difficult we think it will be to resell your furniture based on current market demand.
